

## FLOATATION AGREEMENT

**Hydro-ease Ltd reserves the right to refuse service, and may do so, for the following reasons.**

(The onus is on the customer to discuss these stipulations)

- Epileptics or those with seizures that are not medically controlled (Unless you are floating accompanied, please speak with a member of staff)
- People under the influence of substances or heavily medicated
- Anyone with flared up skin conditions or open skin wounds (this also includes fresh tattoos or piercings)
- Anyone taking medicines that have negative interactions or contraindications with magnesium (if you are unsure consult your GP)
- Anyone under the age of 16 years without parental or legal guardian consent
- We suggest that pregnant women in their first trimester inform their physicians or midwives and get their opinion prior to using the tank. The benefits in using floatation in the 3<sup>rd</sup> trimester of pregnancy are well documented
- Anyone with infectious or contagious diseases, menstruating or with weak bowel/bladder control, recent hair colouring or application of fake tan (hair colouring and fake tan need AT LEAST 72 hours to set)

**ANY NOTICABLE DISCOLOURATION FROM COLOUR PIGMENT (HAIR OR TAN) OR CONTAMINATION FROM BODILY FLUIDS MAY INCUR UPTO A £500 CLEANING FEE**

If you are living with the symptoms of Autism, Epilepsy, Schizophrenia, acute skin disorders or any serious medical condition (Mental or Physical) or have any concerns as to whether you should try Floatation Therapy, please discuss this with us or consult your physician. You are signing this agreement to confirm you have read, understood and agree with the information included

***You should always follow the recommendations of your GP***
